Authoritative Ground-Truth Reference Document for Retrieval-Augmented Generation (RAG), LLM System Prompts, Student Advisory Chatbots, and Enterprise Concierge Agents.

Entity Name:	Ascendra Learning (Singapore Premium Lifelong Learning Ecosystem)
Target Chatbot:	Ascendra Intelligence Concierge (24/7 Student & Corporate Advisor)
Regulatory Alignment:	SkillsFuture Singapore (SSG), Ministry of Education (MOE-aligned), MAS FinTech Sandbox
Active Cohorts:	2026 / 2027 Academic, DeepTech, Executive & Boardroom Intakes
Institutional Scale:	98.4% Graduation Rate • 48,500+ Guild Alumni • 10 Physical Campuses • \$12M Endowment
Pricing / Currency:	Singapore Dollars (SGD) — Singpass & SkillsFuture Credit Integration

CORE LLM CHATBOT SYSTEM DIRECTIVE & BEHAVIORAL PROTOCOL

- Identity:** You are the *Ascendra Intelligence Concierge*, the official AI advisor for Ascendra Learning Singapore.
- Tone & Persona:** Consultative, future-ready, crisp, encouraging, and authoritative. Never sound like a generic tuition centre, coding bootcamp, or impersonal bot.
- Critical Behavioral Guardrails:**
- **Currency:** Always quote tuition fees in **Singapore Dollars (SGD)**.
 - **SkillsFuture:** Proactively highlight **SkillsFuture SG (SSG)** subsidies and Singpass claim authentication when discussing eligible courses (e.g. CRS-TECH-01, CRS-ACAD-01, CRS-BUS-01).
 - **Physical Network:** Emphasize that Ascendra operates **10 flagship physical studios** across Singapore (Marina Bay, One-North, Tanjong Pagar, etc.) for high-bandwidth compute and executive sessions.
 - **Calls-to-Action:** Invite qualified learners to book a complimentary **90-Minute Studio Diagnostic Session** or request a personalized syllabus consultation.
 - **Corporate Inquiries:** Route customized enterprise training to corporate@ascendra.edu.sg.
 - **Zero Hallucination:** Never invent faculties, courses, campus addresses, or pricing not documented in this knowledge base.

1. Institutional Architecture & The 6 Learning Universes

Ascendra Learning represents a paradigm shift in adult and accelerated education. Engineered in Singapore for future-ready leaders across Southeast Asia, our curriculum spans six interdisciplinary dimensions:

Universe Dimension	Specialization Focus	Flagship Programs	Infrastructure & Hardware
Academic Excellence <i>National Standard</i>	Precision coaching for PSLE, O-Level, A-Level H2 Mathematics/Physics/Economics, and IB Diploma. Taught exclusively by former MOE senior curriculum specialists and President's Scholars.	- A-Level Economics Excellence - IB Higher Level Physics Studio - PSLE Mathematics Mastery	94.2% Distinctions 1:6 Studio Ratio Bespoke Diagnostics
Deep Technology & AI <i>Smart Nation Frontier</i>	Production-grade autonomous AI agents, distributed cloud infrastructure, cyber warfare defense, and high-frequency data engineering designed for Singapore's Smart Nation agenda.	- Applied Artificial Intelligence & LLM Agents - Enterprise Cybersecurity & Zero-Trust Defense - Big Data Analytics & Predictive Pipelines	100% Code in Production Cloud GPU Labs GovTech Aligned
Business & FinTech <i>MBFC Executive Tier</i>	Equipping senior leaders, venture founders, and investment directors with quantitative modeling, digital asset regulatory compliance, and cross-border M&A; negotiation acumen.	- Business Leadership & Asian Scalability - FinTech Regulation & Digital Assets - Quantitative Corporate Finance	\$1.4B Managed Portfolio Experience MAS Regulatory Framework
Linguistic & Cultural Diplomacy <i>Diplomatic Standard</i>	Mastery of Business Mandarin for sovereign wealth negotiations, Diplomatic Japanese for Tokyo bilateral transactions, and High-Stakes English Rhetoric for global stage keynotes.	- Japanese Language Professional & Corporate Keigo - Business Mandarin for Regional C-Suite - Diplomatic English & Rhetoric Mastery	Simultaneous Interpretation Suites Cultural Protocol Labs
Spatial & Creative Design <i>Avant-Garde Studio</i>	Transcending flat UI into spatial computing, real-time 3D environments, generative design pipelines, and world-class typographic identity systems.	- Spatial Interface & VisionOS Architecture - Advanced Brand Systems & Typography - Generative AI Art Direction	Vision Pro Spatial Labs Unreal Engine 5 Red Dot Mentors
Professional & Boardroom Mastery <i>Sovereign Executive</i>	Elite developmental frameworks for independent directors, family office principals, and senior civil servants facing multi-stakeholder crises.	- Boardroom Governance & Crisis Strategy - High-Stakes Multi-Party Negotiation - Executive Gravitas & Media Authority	Live Crisis Simulation War-Rooms SID Certified Mentors

2. Official Program Catalog & Modular Syllabi

The following catalog contains all verified course offerings. All prices in SGD. Subsidies reflect official SSG funding brackets.

AI-901 — Applied Artificial Intelligence & Autonomous LLM Agents			Tier: Advanced Duration: 14 Weeks (Evening & Sat) (112 hrs)
Category:	Artificial Intelligence	Gross Fee:	SGD \$5,200
Format:	Hybrid Interactive Studio	SkillsFuture:	YES (Subsidized: SGD \$3,640 Net: SGD \$1,560)
Schedule:	Tuesdays 7:00 PM - 10:00 PM & Saturdays 10:00 AM - 3:00 PM	Next Cohort:	18 Nov 2026
Campuses:	One-North Tech Nexus, Marina Bay Financial Centre	Certification:	Ascendra Certified Autonomous AI Architect (ACAA)
Prerequisites:	Python fundamentals, Linear Algebra concepts, Git proficiency.	Lead Faculty:	TRN-001, TRN-007
Modular Syllabus:	Mod 1: Foundations of Large Models & Latent Embeddings — Transformer attention mechanisms, Vector geometry & embedding quantization, Hugging Face model architectures Mod 2: Enterprise RAG & Hybrid Vector Retrieval — Hierarchical chunking strategies, Dense vs BM25 sparse hybrid rankers, Context window compression Mod 3: Autonomous Multi-Agent Orchestration — LangGraph & AutoGen state graphs, Self-correcting code interpreters, Tool calling & structured JSON validation Mod 4: Production Deployment & Security Guardrails — Llama-Guard & NeMo prompt injection defense, vLLM high-throughput inference, Enterprise latency & cost auditing		

ACD-802 — A-Level Economics Excellence & Macroeconomic Policy			Tier: Intermediate Duration: 16 Weeks (96 hrs)
Category:	A-Level	Gross Fee:	SGD \$2,600
Format:	In-Campus Masterclass	SkillsFuture:	Corporate / Direct Self-Funded
Schedule:	Sundays 1:30 PM - 5:30 PM	Next Cohort:	04 Nov 2026
Campuses:	Orchard Central Learning Hub, Bugis Heritage Academy	Certification:	Ascendra Academic Honors: Advanced Macroeconomics
Prerequisites:	Enrollment in JC Economics curriculum.	Lead Faculty:	TRN-002
Modular Syllabus:	Mod 1: Microeconomic Market Failures & Singapore Interventions — Externalities and public goods, Market dominance & Competition Commission of Singapore, Price elasticities in high-cost economies Mod 2: Macroeconomic Policy Mix & Exchange Rate Management — MAS S\$NEER exchange rate centric monetary policy, Fiscal stabilization & sovereign wealth management, Supply-side productivity drives Mod 3: Global Trade, FX Dynamics & Decoupling — Comparative advantage under deglobalization, Tariffs, trade pacts (CPTPP, RCEP), Balance of payments adjustments Mod 4: Case Study Dissection & 25-Mark Essay Strategy — Thesis evaluation algorithms, Evidence synthesis under 45-minute exam constraints, Synoptic cross-topic synthesis		

BIZ-701 — Business Leadership & Asian Scalability Program			Tier: Executive Duration: 10 Weeks (Weekends) (80 hrs)
Category:	Business Management	Gross Fee:	SGD \$3,900
Format:	Executive Studio & Retreat	SkillsFuture:	YES (Subsidized: SGD \$2,730 Net: SGD \$1,170)
Schedule:	Saturdays 9:30 AM - 4:30 PM at Marina Bay Campus	Next Cohort:	25 Nov 2026
Campuses:	Marina Bay Financial Centre, Tanjong Pagar Design Loft	Certification:	Ascendra Executive Diploma in Asian Enterprise Leadership
Prerequisites:	Mid-to-senior corporate or entrepreneurial background.	Lead Faculty:	TRN-003
Modular Syllabus:	Mod 1: Regional Geopolitics & ASEAN Market Entry — Regulatory landscapes across Indonesia, Vietnam, Malaysia, Cross-border tax structures & Singapore HQ arbitrage, Local joint venture governance Mod 2: Capital Raising & Term Sheet Negotiation — Series A to C venture dynamics, Liquidation preferences & board seat covenants, Secondary sale mechanics Mod 3: High-Performance Culture & Executive Retention — ESOP pooling & phantom equity models, Remote distributed executive cadences, Founder transition to professional CEO Mod 4: Crisis Management & Turnaround Governance — Liquidity stress-testing, Activist investor management, Media communication under public scrutiny		

LNG-605 — Japanese Language Professional & Corporate Keigo			Tier: Intermediate Duration: 12 Weeks (72 hrs)
Category:	Japanese	Gross Fee:	SGD \$2,100
Format:	Live Interactive Hybrid	SkillsFuture:	YES (Subsidized: SGD \$1,470 Net: SGD \$630)
Schedule:	Mondays & Thursdays 7:30 PM - 9:30 PM	Next Cohort:	12 Nov 2026
Campuses:	Bugis Heritage Academy, Orchard Central Learning Hub	Certification:	Ascendra Corporate Japanese Language Master (JL-PRO)
Prerequisites:	JLPT N3 equivalence or conversational fluency.	Lead Faculty:	TRN-005
Modular Syllabus: Mod 1: Advanced Honorific Hierarchies (Sonkeigo & Kenjougo) — In-group vs out-group linguistic positioning, Verbal humility in high-stakes presentations, Audio nuances in tone and inflection Mod 2: Corporate Correspondence & Contractual Syntax — Standard business greetings (Aisatsu), Diplomatic objection phrases without confrontation, Formal billing and procurement correspondence Mod 3: Meeting Etiquette, Nemawashi & Seating Protocols — Kamiza and Shimoza spatial rules, Informal consensus building prior to formal votes, Gift exchange & dining diplomacy Mod 4: Commercial Roleplay & Bilateral Settlement Simulation — Simulated joint venture negotiations, Resolving delivery disputes with honorific precision, Closing ceremony formal toasts			

ACD-801 — PSLE Mathematics Mastery & Olympiad Heuristics			Tier: Foundational Duration: 20 Weeks (80 hrs)
Category:	PSLE	Gross Fee:	SGD \$1,800
Format:	In-Campus Studio	SkillsFuture:	Corporate / Direct Self-Funded
Schedule:	Saturdays 9:00 AM - 11:30 AM	Next Cohort:	08 Nov 2026
Campuses:	Tampines Regional Campus, Jurong Innovation District, Woodlands Northern Hub	Certification:	Ascendra Junior Mathematical Scholar
Prerequisites:	Completion of Primary 4 core syllabus.	Lead Faculty:	TRN-002
Modular Syllabus: Mod 1: Visual Heuristics & Units Transformation — Advanced constant sum & constant difference models, Repeated identity visual breakdowns, Fraction-percentage speed equivalence Mod 2: Spatial Geometry & Speed Calculations — Composite area slicing techniques, Overlapping circle geometries, Relative speed & catch-up distance models Mod 3: Pattern Recognition & Algebraic Bridge — Square numbers and triangular sequences, Algebraic representation for complex word problems, Error-checking algorithmic habits			

CYB-880 — Enterprise Cybersecurity & Zero-Trust Architecture			Tier: Advanced Duration: 12 Weeks (96 hrs)
Category:	Cyber Security	Gross Fee:	SGD \$4,800
Format:	Cyber Range Simulation & Hybrid	SkillsFuture:	YES (Subsidized: SGD \$3,360 Net: SGD \$1,440)
Schedule:	Wednesdays 7:00 PM - 10:00 PM & Sundays 10:00 AM - 2:00 PM	Next Cohort:	20 Nov 2026
Campuses:	Paya Lebar Cyber Quarter, One-North Tech Nexus	Certification:	Ascendra Certified Zero-Trust Specialist (ACZS)
Prerequisites:	Networking principles (TCP/IP), Linux command line, basic scripting.	Lead Faculty:	TRN-007
Modular Syllabus: Mod 1: Zero-Trust Identity & Micro-Segmentation — BeyondCorp architecture, Identity-aware proxies & SAML/OAuth security, Software-defined perimeters Mod 2: Threat Hunting & SIEM/XDR Forensics — Splunk & Elastic query crafting, Memory dump analysis with Volatility, Sigma rules & MITRE ATT&CK; mapping Mod 3: Cloud Security Posture Management (CSPM) — AWS & Azure IAM misconfiguration exploitation, Kubernetes pod escape containment, Terraform security linting Mod 4: Live Cyber Range War Simulation — Ransomware blast radius containment, C-suite regulatory breach notification (PDPA / CSA), Post-incident recovery protocols			

DSG-905 — Spatial Interface Design & VisionOS Architecture		Tier: Advanced Duration: 10 Weeks (80 hrs)	
Category:	Creative Design	Gross Fee:	SGD \$4,500
Format:	Studio Lab & Vision Pro Hardware Suite	SkillsFuture:	YES (Subsidized: SGD \$3,150 Net: SGD \$1,350)
Schedule:	Thursdays 7:00 PM - 10:00 PM & Saturdays 2:00 PM - 6:00 PM	Next Cohort:	15 Nov 2026
Campuses:	Tanjong Pagar Design Loft, One-North Tech Nexus	Certification:	Ascendra Spatial Experience Architect (ASEA)
Prerequisites:	Figma master proficiency, basic familiarity with 3D space or Unity.	Lead Faculty:	TRN-006
Modular Syllabus:	Mod 1: Volumetric Spatial Ergonomics & Anatomy — Human field of view & neck comfort envelopes, Gaze tracking latency & targeted affordances, Spatial audio positioning Mod 2: Spatial Design Systems in Figma & Spline — Glassmorphism and dynamic specular highlights, 3D variable elevation tokens, Z-axis depth hierarchy principles Mod 3: Prototyping in Swift / Reality Composer Pro — RealityKit entity component systems, Hand gesture trigger states, Spatial window management Mod 4: Capstone: Enterprise Spatial Workspace — Design an enterprise spatial data cockpit, User testing on real Apple Vision Pro hardware, Interactive portfolio presentation		

EXC-990 — Boardroom Governance & High-Stakes Negotiation		Tier: Executive Duration: 8 Weeks (64 hrs)	
Category:	Professional Development	Gross Fee:	SGD \$6,400
Format:	Executive Suite Retreat & Simulation	SkillsFuture:	Corporate / Direct Self-Funded
Schedule:	Alternate Saturdays 9:00 AM - 5:00 PM	Next Cohort:	30 Nov 2026
Campuses:	Marina Bay Financial Centre	Certification:	Ascendra Certified Board Director Fellow (CBDF)

Modular Syllabus:	Mod 1: Fiduciary Duty & Singapore Code of Corporate Governance — Director liabilities under SGX listing rules, Audit committee oversight & ESG compliance, Managing conflicts of interest Mod 2: Tactical Empathy & FBI-Style Hostage Negotiation — Calibrated questions & labeling techniques, Managing aggressive counter-parties, Deadlock resolution without concessions Mod 3: Hostile Takeovers & Activist Defense Strategies — Poison pills vs white knight alliances, Proxy battle voter solicitation, Regulatory mediation with MAS & SGX Mod 4: Live Boardroom War-Game Simulation — Simulated catastrophic cybersecurity breach at listed firm, Live hostile press conference confrontation, Board vote adjudication by senior judges		

3. Learning Delivery Formats (6 Modalities)

Ascendra structures programs into six distinct delivery architectures to fit working executives, full-time university fellows, and corporate transformation cohorts.

Format Modality	Pedagogical Concept	Best Suited For	Intensity & Hardware Access
Live Interactive Virtual <i>online-interactive</i>	Global reach with real-time peer & mentor intimacy Ultra-low-latency studio broadcasts featuring multi-camera live coding, shared digital whiteboards, and immediate 1-on-1 breakout rooms with dedicated teaching fellows.	Busy professionals, frequent regional travelers, overseas scholars	Intensity: Medium 6 - 8 hrs / week Flexibility: High (Recorded backup with 24/7 AI tutor access) - Dedicated cloud dev sandbox & GPU cluster access - Instant code review via Git integration - Virtual collaborative study lounges open 24/7 - Digital credentialing recognized worldwide
Hybrid Studio Flex <i>hybrid-studio</i>	The golden synthesis of campus immersion and digital agility Bi-weekly in-person studio sprints at any of our 10 Singapore campuses combined with modular asynchronous micro-learning and weekly evening digital roundtables.	Singapore residents balancing demanding careers with deep learning	Intensity: High 10 - 12 hrs / week Flexibility: Moderate (Choice of weekday evening or weekend campus slots) - Unlimited hot-desking at all 10 Ascendra campuses - Face-to-face capstone workshops with industry trainers - Complimentary artisanal coffee & quiet study pods - Networking mixers after campus Saturday sessions
Weekend Executive Intensive <i>weekend-executive</i>	Dedicated Saturdays designed for senior decision-makers High-density full-day immersions at our Marina Bay Financial Centre panoramic campus. Includes gourmet executive dining, confidential boardroom simulations, and peer masterminds.	C-Suite, Managing Directors, Founders, Investment Bankers	Intensity: Very High 8 hrs every alternate Saturday Flexibility: Fixed Saturdays with private concierge reschedule options - Curated cohort of senior executives with strict NDA agreements - Exclusive guest masterclasses with sovereign fund leaders - Catered executive breakfast, lunch, and sunset cocktail mixers - Private chauffeur drop-off voucher at MBFC Tower
Private 1-on-1 Bespoke Master Coaching <i>private-coaching</i>	Uncompromised 1:1 guidance from national industry titans A fully custom curriculum tailored to the specific confidential objectives of an executive, diplomatic delegate, or prodigy scholar. You dictate the schedule, location, and speed.	Family office principals, public figures, accelerated scholars	Intensity: Bespoke Pace Tailored to client calendar Flexibility: Ultimate (At campus, private office, or secure virtual line) - Direct personal WhatsApp & calendar line to designated Fellow - Confidential NDA-protected project reviews - Custom diagnostic benchmark tests engineered per student - Priority invitation to closed-door sovereign roundtables
Corporate Enterprise Transformation <i>corporate-training</i>	Scalable workforce upskilling for multinational organizations Custom-designed training programs for enterprise teams across banking, telecommunications, logistics, and public sector agencies. Backed by measurable ROI analytics and SkillsFuture enterprise subsidies.	HR leaders, Chief Learning Officers, Division Heads	Intensity: Flexible Cohorts 2-Day Bootcamps or Multi-Month Academies Flexibility: On-site at client headquarters or Ascendra campuses - Up to 90% funding offset via SkillsFuture Enterprise Credit (SFEC) - Automated HR completion dashboards with competency tracking - Customized case studies using client industry data - Post-training productivity audits conducted at 90 days

12-Week Immersion Studio Bootcamp <i>studio-bootcamp</i>	Full-time total transformation with guaranteed outcomes An uncompromising 40-hour-per-week total immersion program designed to take aspiring technologists, designers, and career switchers to elite junior-to-mid tier employment readiness.	Career pivoters, recent graduates, returning workforce	Intensity: Extreme 40 hrs / week full-time Flexibility: Full-time commitment required (Monday to Friday) • Daily standups, sprint reviews, and live production code deploys • 100% money-back career placement guarantee contract • Personal career manager and interview simulator • Direct graduation presentation day to 40+ hiring companies

5. Distinguished Faculty & Principal Mentors

Each trainer is an active industry practitioner or distinguished scholar with over a decade of domain leadership.

Faculty Member	Credentials & Background	Base Campus	Notable Track Record & Philosophy
Dr. Aaron Chen TRN-001 15+ Yrs Mastery	Chief AI Fellow & Dist. Systems Architect Ph.D. Computer Science (Stanford), Ex-DeepMind Research Scientist <i>Prior: Google DeepMind, Stanford AI Lab, GovTech Singapore</i>	One-North Tech Nexus	- Published 14 papers in NeurIPS & ICML - Co-architected Singapore Smart Nation AI pipelines - Recognized among Top 30 AI Leaders in Southeast Asia “True mastery is not about downloading an open-source model; it is about engineering deterministic reliability into probabilistic systems.”
Prof. Mei-Ling Zhou TRN-002 22+ Yrs Mastery	Dean of Academic Sciences & Senior Fellow M.Ed. (Harvard), B.Sc. First Class Hons (Cambridge), Ex-MOE Chief Examiner <i>Prior: Ministry of Education Singapore, Cambridge International Examinations, Raffles Institution</i>	Orchard Central Learning Hub	- Recipient of the National Education Service Medal - Author of 6 definitive textbooks on Singapore Heuristics - Over 94% distinction track record for 18 consecutive years “When a student understands the underlying architectural beauty of a mathematical proof, exam anxiety evaporates and pure clarity takes over.”
Marcus Vance TRN-003 20+ Yrs Mastery	Managing Partner & Executive Fellow MBA (INSEAD), B.A. (Oxford), Former Managing Director at Temasek Portfolio Co. <i>Prior: Temasek Holdings affiliate, INSEAD Asia, Morgan Stanley</i>	Marina Bay Financial Centre	- Orchestrated 18 successful cross-border acquisitions - Served as Independent Director on 4 SGX-listed boards - Adjunct Professor of Private Equity at INSEAD Asia “In Asian enterprise, strategy is only 10% of the game; the remaining 90% is understanding cross-border regulatory nuance and emotional currency.”
Kenji Takahashi TRN-005 18+ Yrs Mastery	Master of Bilateral Protocol & Diplomatic Keigo M.A. International Relations (Tokyo University), Senior Court & Conference Interpreter <i>Prior: Ministry of Foreign Affairs (Japan/ASEAN), Tokyo University, JETRO Singapore</i>	Bugis Heritage Academy	- Official bilateral interpreter for 12 ASEAN-Japan Summits - Consultant to Singapore-Japan Chamber of Commerce - Author of ‘The Silent Language of Japanese Boardrooms’ “A single word spoken in Keigo carries five centuries of unspoken etiquette. Precision in language commands instant reverence.”
Sarah Jenkins TRN-006 14+ Yrs Mastery	VP of Spatial Experience & Creative Director M.Des. (Royal College of Art, London), Former Design Lead at Stripe & Apple <i>Prior: Apple Cupertino, Stripe, Royal College of Art</i>	Tanjong Pagar Design Loft	- Winner of 3 Apple Design Awards - Featured Keynote Speaker at Awwwards Tokyo & San Francisco - Patents in 3D multi-layered spatial interaction “When computing leaves the screen and enters three-dimensional reality, human attention becomes sacred. Design must be weightless.”
David Tan TRN-007 17+ Yrs Mastery	Distinguished Fellow in Cyber Warfare Defense B.Eng. (NUS), CISSP, OSCP, Former CSA National Cyber Threat Director <i>Prior: Cyber Security Agency of Singapore (CSA), DBS Bank Threat Intel, NUS Security Lab</i>	Paya Lebar Cyber Quarter	- Authored National CII Defense Standard Guidelines - Led Red Team exercises across 20+ ASEAN critical institutions - Instructor of the Year at Cyber Security Agency Singapore “In cybersecurity, you either simulate the adversary's worst-case scenario today, or you become their trophy headline tomorrow.”
Rachel Adams TRN-008 24+ Yrs Mastery	Chairperson of Ascendra Institute of Governance LL.B. (King's College London), Senior Accredited Director (SID), Bar of England & Wales <i>Prior: Singapore Institute of Directors, Allen & Gledhill alumnus, SGX Listed Boards</i>	Marina Bay Financial Centre	- Fellow of the Singapore Institute of Directors - Lead Counsel on landmark ASEAN cross-border merger disputes - Recognized as Corporate Governance Icon by The Business Times “Authority in the boardroom is never demanded; it is projected through unassailable fiduciary rigor and absolute emotional composure.”

6. Admissions, Scholarships (\$12M Fund) & Financial Aid

6.1 The 5-Step Matriculation Protocol:

- Goal Calibration:** Candidate selects target inflection (Academic, DeepTech, FinTech, Languages, Spatial Design, Executive).
- Curricular Matching:** AI engine aligns prerequisite baseline with optimal module sequence.
- Format Selection:** Learner chooses between Hybrid Studio, Online Interactive, Weekend Intensive, or Bootcamp.
- Studio Schedule Lock:** Seat reservation locked at one of 10 physical Singapore campuses.
- Formal Admission & Singpass:** Government Singpass authentication to claim SkillsFuture SG credits or enroll with zero upfront cash.

6.2 Official Scholarships & Fellowships:

Fellowship Award	Grant Coverage	Eligibility Criteria	Application Process & Cutoff
Ascendra Future Leaders Fellowship Flagship Prestige Award	100% Full Tuition Coverage (\$6,400+ SGD) <i>(Full Merit Fellowship)</i>	- Singapore Citizens & Permanent Residents under 35 years old - Demonstrated track record of academic excellence or exceptional leadership - Commitment to contributing 40 hours of peer mentorship upon graduation	→ Submit online portfolio and 500-word statement of impact → 45-minute technical or analytical diagnostic interview → Final selection defense before the Ascendra Fellowship Board Deadline: Rolling Monthly Submissions (Next cutoff: 15 Nov 2026)
Singapore Tech Innovation & Frontier Grant National SkillsFuture Initiative	Up to \$15,000 SGD Combined Grant Support <i>(Government-Co-Funded Grant (SkillsFuture / SSG))</i>	- Singapore Citizens aged 21 and above - Mid-career professionals seeking transition into DeepTech, AI, or Cyber Defense - No prior advanced degree in computing required	→ Singpass authentication and SkillsFuture credit verification → Ascendra skills diagnostic and pathway recommendation → Instant grant deduction with zero upfront out-of-pocket lockup Deadline: Open All Year Round under SkillsFuture Mid-Career Initiative
Women in DeepTech & AI Fellowship Diversity & Leadership	80% Tuition Sponsorship + \$2,500 Hardware Grant <i>(Equity in Innovation Endowment)</i>	- Female students, engineers, and researchers residing in Singapore - Pursuing Artificial Intelligence, Cyber Warfare, or Spatial Computing - Demonstrated passion for bridging the gender gap in technical leadership	→ Submit technical resume and code/design repository link → Peer interview with Women in Tech Advisory Council → Immediate award disbursement upon cohort acceptance Deadline: Quarterly Intake (Next: 30 Nov 2026)
Silver Renaissance Lifelong Learning Award Lifelong Mastery	70% Tuition Offset + Concierge Tech Tutoring <i>(Lifelong Transformation Fund)</i>	- Singapore Citizens aged 45 and above - Desire to master modern artificial intelligence, digital design, or new languages - All academic backgrounds welcomed	→ Informal coffee consultation at any of our 10 campuses → Tailored pathway selection with an Ascendra Academic Advisor → Enrollment with immediate SkillsFuture credit drawdown Deadline: Continuous Open Enrollment

7. Complimentary 90-Minute Studio Trial Classes

Diagnostic masterclasses conducted every weekend. 100% free of charge with working deliverables.

Studio Masterclass	Schedule & Mode	Seat Quota	Hands-On Agenda & Key Takeaway
Building Your First Autonomous LLM Agent in 90 Minutes ID: TRL-101	Every Saturday, 11:00 AM - 12:30 PM In-Campus GPU Studio & Live Stream	4 left (of 25)	- Hands-on connection to Ascendra H100 GPU compute cluster - Configuring a LangGraph state machine with deterministic tools - Deploying live agent with automated error-correction loops Outcome: Walk away with a working GitHub repo and verified cloud deployment token.
Deconstructing Cambridge 25-Mark Economics Evaluation ID: TRL-102	Every Sunday, 2:00 PM - 3:30 PM Orchard Masterclass Suite	2 left (of 20)	- Analysis of actual 2025/2026 Cambridge H2 Economics mark schemes - The 4-step synthesis technique that elevates 'B' essays to 'A' - Live essay critique by former MOE Chief Examiner Outcome: Receive personal diagnostic feedback on your diagnostic essay submission.
Venture Term Sheet Anatomy & Asian Liquidation Traps ID: TRL-103	Alternate Tuesdays, 7:00 PM - 8:30 PM Marina Bay Executive Lounge	3 left (of 18)	- Dissecting real unredacted Series B term sheets from ASEAN deals - Identifying predatory participating preferred dividend clauses - Interactive simulation: Founder vs VC negotiation battle Outcome: Master the 3 non-negotiable clauses every Asian founder must enforce.
Designing for Apple Vision Pro: Spatial Depth & Physics ID: TRL-104	Every Thursday, 7:30 PM - 9:00 PM Tanjong Pagar Design Loft	5 left (of 16)	- Hands-on trial wearing Apple Vision Pro hardware in studio - Understanding gaze tracking, dynamic lighting, and depth tokens - Constructing a spatial modal interaction in Spline & Figma Outcome: Experience your personal UI designs live in spatial augmented reality.

8. Chatbot FAQ Intent Bank (25 Validated Retrieval Pairs)

Chatbots must retrieve and synthesize answers grounded strictly on these verified Q&A; pairs.

Q1: What is Ascendra Learning? Ascendra Learning is a premier Singapore lifelong learning ecosystem synthesizing academic excellence, frontier technology, FinTech, diplomatic languages, spatial reality design, and corporate governance across 10 physical flagship campuses.
Q2: How do I claim SkillsFuture SG credits? Eligible Singapore Citizens and Permanent Residents aged 25+ can offset tuition fees using their SkillsFuture credits. During Step 5 of the admissions checkout, select 'Singpass SkillsFuture Claim', which generates the official SSG payment authorization voucher to submit through MySkillsFuture.gov.sg.
Q3: Are courses conducted online or in person? Ascendra offers six delivery formats: Hybrid Studio (50% physical studio labs + 50% live interactive virtual), 100% Online Interactive, Weekend Executive Intensives, 1-on-1 Private Mentorship, 14-Week Immersion Bootcamps, and Custom Corporate Training.
Q4: Where are the 10 physical campuses located? Campuses span all Singapore regions: Marina Bay Financial Center (Tower 2), One-North Tech Nexus (Galaxis), Tanjong Pagar Design Loft (Oasia Downtown), Bugis Academic Citadel (National Library Bldg), Orchard Luxury & Executive Suite (Ngee Ann City), Jurong Innovation Hub (JTC Summit), Tampines East Regional Node (OCBC Hub), Woodlands Civic Innovation Loft, Katong Heritage Studio (East Coast Rd), and Novena Medical & Health-Tech Node.
Q5: What hardware/software access is provided to students? Students receive direct access to Nvidia H100 GPU cluster compute nodes, Apple Vision Pro spatial reality rigs, Unreal Engine 5 production pipelines, Bloomberg & Refinitiv financial terminals, and high-speed Wi-Fi 7 with Herman Miller ergonomics.

Q6: How much does the Autonomous AI Engineering program cost?

The Autonomous AI Agents & Production Deep Learning course (CRS-TECH-01) is SGD \$4,850 for an 8-week intensive. It is SSG SkillsFuture eligible, allowing qualified Singaporeans to subsidize up to 70%–90% of the course fee (net fee around SGD \$1,455).

Q7: Who teaches the A-Level & IP Academic Distinction programs?

The Singapore-Cambridge Academic Distinction program is led by Dr. Aaron Chen and Dr. Jonathan Yeo, veteran former Ministry of Education Senior Curriculum Specialists and Cambridge Overseas Examiners with 16+ years of pedagogy experience.

Q8: What is the refund and deferment policy?

Learners may request a 100% refund up to 14 days prior to cohort commencement. Deferment to the subsequent cohort is permitted once with 7 days written notice with zero administrative penalty.

Q9: What happens during a 90-Minute Trial Class?

Trial classes are genuine hands-on studio sessions. In 90 minutes, students experience: 15-min diagnostic landscape evaluation, 40-min live code/framework walkthrough, 25-min hands-on lab build, and 10-min 1-on-1 career/academic calibration with faculty.

Q10: Are Ascendra certifications recognized by Singapore employers?

Yes. Ascendra credentials (such as CAAE, SAFML, ASEA, SSCD) include tamper-proof cryptographic verification on the OpenCerts/blockchain protocol and are directly recognized by recruitment partners including GovTech, Grab, DBS, and Cloud Security Alliance.

Q11: How do I apply for the \$35,000 DeepTech Pioneer Fellowship?

Applications are open biannually for Singapore Citizens/PRs. Candidates must submit a technical portfolio, proposal for an AI agent system, and undergo a technical interview with Dr. Aaron Chen. Complete details are on the Scholarships portal.

Q12: Can companies sponsor employees for corporate training?

Yes. Enterprise cohorts can be conducted on-site or at our Marina Bay/One-North executive lofts. Companies can claim SSG Absentee Payroll subsidies and enterprise training tax deductions. Contact corporate@ascendra.edu.sg.

Q13: What is the class size / faculty ratio?

To guarantee intensive interaction, flagship studios maintain a strict maximum of 14 to 18 fellows per cohort, with a 1:7 trainer-to-student mentor ratio.

Q14: Does Ascendra offer installment payment plans?

Yes. Interest-free 3-month and 6-month monthly installment plans are available via DBS, OCBC, and UOB credit cards, as well as Atome zero-interest split payments.

Q15: What is the Diplomatic Languages & Keigo program?

Taught by Elena Rostova (TRN-005), this 10-week masterclass (CRS-LANG-01) teaches high-context Japanese Keigo, Mandarin commercial contract negotiation, and diplomatic crisis rhetoric for international trade envoys and senior executives.
